With the winter mornings and dark evening upon us it is a good reminder to set good examples for our children when out and about. If you are walking, wheeling, or cycling with your children, make sure to always use pedestrian crossings, and take the opportunity to talk to children about road safety.

### **DRUGS**

Community officers, along with their colleagues in the Community Investigation Team have successfully executed two Drug Search Warrants this month. During these warrants a large amount of Class A and Class B drugs were discovered along with considerable amounts of cash. These warrants are results of many months of hard work and intelligence gathering by the whole community team. Further to this the intelligence gathered from members of the public have enabled these warrants to be granted. The community team would like to thank the public for their ongoing support and assistance in these matters. If anyone has any information regarding the supplying of controlled drugs, then they can pass their concerns on to the community team. All information received is treated seriously and is completely anonymous.
